

IWallValidator

```
classDiagram
    class IWallValidator
    class BigRoomWallValidator
    BigRoomWallValidator --|> IWallValidator
```

The diagram illustrates a class hierarchy. At the top is the 'IWallValidator' interface, represented by a white box with a black border. Below it is the 'BigRoomWallValidator' class, represented by a gray box with a black border. A solid blue arrow points from the bottom center of the 'BigRoomWallValidator' box to the bottom center of the 'IWallValidator' box, indicating that 'BigRoomWallValidator' inherits from or implements 'IWallValidator'.
