

BaseResource

```
classDiagram
    class BaseResource
    class BaseDisplayResource
    BaseDisplayResource --|> BaseResource
```

The diagram illustrates a class hierarchy. At the top is a white rectangular box labeled 'BaseResource'. Below it is a gray rectangular box labeled 'BaseDisplayResource'. A vertical blue line connects the bottom center of the 'BaseDisplayResource' box to the bottom center of the 'BaseResource' box, ending in a blue arrowhead pointing upwards. This represents that 'BaseDisplayResource' inherits from 'BaseResource'.
